3 We'll inspire others

Tim's **website, books and talks** have **inspired dozens** of people to undertake their **own adventures**

"It is really encouraging to see that people are eager to help (for free) even at the start of my journey"

Markus, cycling to Africa

"You really have helped me keep the faith in changing careers, when I appeared to be heading down dead end after dead end."

Tom, starting a career in expeditions

"Tim has been invaluable and allowed me to complete challenges I would not have been able to without his help."

Francis, climbing big mountains

"Extremely helpful! I appreciate you taking the time to help out, and even more so to follow up."

Leon, cycling New York to Hong Kong
